

# VOUCHERS

Thanks to our know-how, we are able to provide your center with vouchers. Designed in-house according to your wishes, they completely correspond to your center's state of mind.

You can use vouchers for various purposes and you can sell them to different targets. This is another very profitable marketing tool from SMS-Timing.

## NO PROBLEMS, ONLY SOLUTIONS.

*"How can I attract new customers to my karting?"*

→ Set up "invite a friend" vouchers. You can sell them for a few Euros. All these new customers can be converted to members.

*"I want to organize special races for companies."*

→ Define vouchers that can be sold to companies. Then you can promote special events that are exclusive to business customers.

## ADVANTAGES

- Flexible product: individuals, events, companies, etc.
- Various types of value: products, credits, discounts, points, money
- Safety system with a unique barcode for each voucher
- Underline a professional company image
